

The Humanity Flag

MANIFESTO

WE ARE DIVIDED.
WE HAVE BEEN SEPARATED FROM EACH OTHER.
WE HAVE BECOME TRIBES, CLANS, CREWS, NATIONS, CITIES, NEIGHBOURS.

AND WE FIGHT. MOTHERS AGAINST MOTHERS.
FATHERS AGAINST SONS.
THE REDS AGAINST THE BLUES.
WE RANK ONE ANOTHER BASED ON THE COLOUR OF OUR SKIN
(BLACK, YELLOW, WHITE).
BLONDE, TALL, SKINNY, FAT.

WE ARE ENGAGED IN A BATTLE OF FLAGS, BUT HOW CAN BEING BORN
ON A DIFFERENT PIECE OF LAND MAKE ONE SUPERIOR?
ALL THE FLAGS WE HAVE ARE LIES.

WE JUST NEED A NEW FLAG, ONE TO UNITE US
SO THAT WE CAN ALL FEEL LESS ALONE.
WHATEVER YOU MIGHT THINK,
YOU ARE ALREADY PART OF IT.
WE ARE HUMANITY, AND THIS IS OUR FLAG.

MISSION

Our aim is to share this flag to all of humanity.
We want to create a symbol that helps us all to feel together,
united beyond and above our differences, transcending out of nationalism and religions.
To trust more in humanity itself and support each other.
